HOW TO OPERATE

Power Button:

1. Press and hold to power ON/OFF
2. Quick press to turn screen ON/OFF

Swipe Left: Go to next screen

Swipe Right: Go to previous screen

Swipe Up: On the main screen, swipe up to quickly view data

Swipe Down: On the main screen, swipe down to enter the setup menu

To change watch bands:

1. Slide pin B into hole in watch base.
2. Slide peg A inward to retract opposite pin, and fit into hole in the watch base. Make sure the pin snaps into place to hold the band securely. Repeat for other band.

TECHNICAL SPECS

Chip: RTK8762C

Display: 1.4 in. TFT color screen

Resolution: 240 x 240 DPI

Water Resistant Rating: IP67

Strap Material: TPU

Sensor: STK8321

Temperature Sensor :CT1711

Heart Rate Chip: HX3300

Battery: 160mAh

Working Time: 5-7 Days

Operating Temperature:

14°F~122°F

System Compatibility: IOS 8.2+,
Android 4.4+

PRECAUTIONS

- Avoid drops and excessive impacts to the watch
- Do not expose to chemicals such as benzene or thinner
- Do not expose watch to strong magnetic fields

- Do not immerse watch in water

empower

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARRANTY

What is covered: Any defect in materials and workmanship.

For how long: 1 year from date of purchase.

What we will do: If your product is defective and returned within 30 days after the date it was purchased, we will replace it at no charge to you. If returned after 30 days but within 1 year of the date of purchase we will repair it or, at our option, replace it at no charge to you. If we repair your product, we may use new or reconditioned replacement parts. If we choose to replace your product we may replace it with a new or reconditioned one of the same or similar design. The repair or replacement will be warranted under our standard one year warranty.

Limitations: Implied warranties, including those of fitness for a particular purpose and merchantability (an unwritten warranty that the product is fit for ordinary use), are limited to 1 year from the date of purchase. We will not pay for loss of time, inconvenience, loss of use of your product or property damage caused by your product or its failure to work, or any other incidental or consequential damages including personal injury. Some states do not allow limitations on how long an implied warranty lasts or the exclusion of limitation of incidental or consequential damages, so the above exclusions or limitations may not apply to you.

What we ask you to do: To get warranty service for your product you must provide proof of the date of purchase. Within 30 days of the date it was purchased, return your product to your place of purchase for immediate replacement. After 30 days, but before the end of the 1 year warranty period, you may contact us at shopempower.com to issue a return authorization. We suggest that you retain your original packaging material. In the event you need to ship your product. When sending your product include your name, address, phone number, proof of date of purchase, and a description of the operating problem. After repairing or replacing your product we will ship it to your home within four weeks.

What this warranty does not cover: Among other things this warranty does not cover defects resulting from accidents, unauthorized repair, failure to follow directions, misuse, fire, floods, and acts of God. If your protection is not covered by our warranty, contact us at shopempower.com to determine whether we will repair your product and other repair information, including charges. We, at our option, may replace rather than repair your product with a new or reconditioned one of the same or similar design, the repair or replacement will be warranted for one year. This limited warranty is the only one we give on your product, and it sets forth all our responsibilities regarding your product. There are no warranties that extend beyond the description set forth above.

State law rights: This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.
