WATCH PARTS—FRONT & BACK

CHARGING YOUR SMART WATCH

When you first take your watch out of the box, press and hold the Power Button for 5 seconds. If the battery icon indicates low or no power, charge the Smart Watch as instructed:

- Plug the charger USB end into any USB power source (laptop, USB adapter wall outlet, etc).
- Line up the magnetic dots on the charger to the charging contacts on the back of the watch. The charging icon will light up on the watch.
- A full charge will take 2 hours

DOWNLOADING WATCH APP

Before using your Fit Pro Smart Watch, download the **"FitCloudPro"** app which you can search for in the Apple App Store or the Android app store. Or quickly access the app by scanning the QR code below with your smart phone. The app is compatible with IOS 8.4 and above, and Android 4.4 and above.

Pairing with your smart phone will allow you to use more detailed functions on your Fit Pro Smart Watch.

- Make sure your watch is turned on and open your smart phone settings to enable wireless connections. Under the list of devices, select "Fit Pro".
- Finish pairing in the **"FitCloudPro"** app by following instructions in the app. The app will allow you to "bind" or "unbind" with the watch.
