

The Steinhausen International Warranty

1. Steinhausen LLC, declares that all Steinhausen timepieces are covered by an international warranty against any manufacturing defects. The Steinhausen warranty is valid for a period of 1 year from the date of purchase from an authorized reseller. Steinhausen will repair or replace at Steinhausen's discretion the movement of this timepiece free of charge if such movement proves to be defective in material workmanship under normal use.
2. This warranty does not cover the watch case, watch bracelet, straps, crystals or normal wear. This warranty will be void if the watch has been mishandled or used under extraordinary conditions. Unless this watch is labeled as "water resistance" this warranty will also be void if the watch has been submerged in water.
3. This international warranty shall only be valid if the watch has been purchased from an authorized Steinhausen reseller.
4. The warranty card must be presented together with the watch to an authorized Steinhausen service center or reseller for all in-warranty servicing. Any work performed on a Steinhausen timepiece by an unauthorized entity, shall automatically render this international warranty null and void.
5. If your watch should require service during the period of the warranty, please send it to Steinhausen LLC along with your original copy of purchase and a check in the amount of \$19.95 to cover the cost of shipping and handling.
