DUAL VOLTAGE TRAVEL IRON

Steam irons have been a staple of removing wrinkles from dress clothes for years – however many are bulky and inefficiently designed. The Sharper Image SI-755 is sleek, simple and small with a mighty ability to set crisp creases and remove wrinkles. It is strong enough for everyday use at home, yet lightweight and compact for taking along with you. If you travel, or if you simply need to touch up garments away from home, the SI-755 Dual Voltage Travel Iron is an ideal appliance.
