# SI-470 CANISTER GARMENT STEAMER

The Sharper Image SI-470 Canister Garment Steamer is the effective, reliable steamer that belongs in every laundry room. Hot steam penetrates deep into fabrics and relaxes fibers, releasing wrinkles faster than ironing and freshening clothes in seconds.

The Canister Garment Steamer is gentle on your most delicate fabrics, yet works equally well on drapes, upholstery and other heavier materials. Powerful steam freshens fabrics and releases wrinkles. Less expensive and much safer than dry cleaning, the Canister Garment Steamer requires no chemicals, making it safe for use around your family and pets.
