NuvōMed®

Introduction

Know your Device

Indications for Use
This massager is a household electronic, wellness product and is not intended as a medical device. It is not suitable for diagnosis, treatment or other commercial purposes.

Medical Disclaimer

- This device and manual are not meant to be a substitute for advice provided by doctors or other medical professionals.
- Do not use this product on pregnant women, children or people unable to express their own consciousness and provide consent.
- Do not use it on patients with cardiac demand pacemakers, defibrillators or implanted metallic or electronic devices.

⚠️ Precautions

- Please read the instructions carefully and do not use this product continuously for a long time to prevent muscle pain due to excessive massaging.
- Do not use this product when leaning against a surface or lying flat.
- Do not use this product while driving or engaging in activities that require precise movements.
- Individuals who have undergone surgery on the massage area or suffer from discomfort symptoms such as skin damage, redness, inflammation, or congestion should not use this product.
- Individuals with heart disease or a medical history of heart disease, acute diseases, skin diseases, malignant tumor(s), bleeding hemophilia and other blood diseases, osteoporosis, soft tissue disorder, stroke and other physical disorders should not use this product.
- Individuals with limited mobility, physical disorders or intellectual disabilities should not use this product, without first consulting with a doctor.
- Pregnant women and women experiencing menstrual symptoms should not use this product, without first consulting with a doctor.
- Please store the product in a place that is not easily accessible to children.

Important Safety Information

- Before use, please remove any accessories or other items that are within or surrounding the targeted massage area.
- During use, if there is pain or discomfort in the massage area, please stop use immediately.
- When using the product, if there are any malfunctions, please immediately turn off and unplug the device. Do not disassemble or repair the product yourself.
- The massage area has a heating surface, and people who are not sensitive to heat should not use this product or take necessary precautions during use.
- When using the product in specific, regulated environments, please comply with all safety regulations and protocols.
- Please use the included charging cable and power adapter to charge the product to help preserve the battery.
Note: Please pay attention to electricity safety.
- Please keep this product away from water sources, fire sources and corrosive environments.
- Please refrain from overuse. If overused, the product may cause discomfort and injury.
- When using the product for the first time, it is necessary to observe the physical condition and changes in the skin, and limit use-time as much as possible.
- If you feel skin pain or discomfort, please stop use and seek medical attention immediately.
- Due to increased blood flow to the massage area after a long massage session, redness and elevated temperature may occur; this is a normal phenomenon.
- Children under the age of 8 are prohibited from using the product, and children aged 8-12 must be under the supervision and care of a parent or someone with supervisory ability during use.

NuvōMed®

Operating Guide

How to Use

- Plug the included power adapter into any standard AC outlet and connect the other end into the device's power input cable.
- Press and hold the Power Button to turn the device ON.
- Press the Intensity Button to cycle between 3 variable massage pressure settings.
- Press the Mode Button to switch between forward (clockwise) and reverse (counterclockwise) massage functions.
- Auto-Off Setting activates after approximately 15 minutes.
- Press the Heat Button to turn on the heat function ON/OFF.
- Press the Power Button to turn the device off at any time during a massage session.
- Please unplug the device after use or before cleaning.

How to Store

- Keep the device out of the reach of children.
- Do not store in places with direct sunshine, high temperature or moisture.
- Store the device in a dry, well ventilated place.
- Do not disassemble, repair or refit this massager without permission. Doing so may result in device malfunctions or injury.

General Information

- Keep the product away from heated surfaces.
- Never drop or insert objects into any opening.
- DO NOT perform any servicing on the product.
- Use the product only for its intended use as described in the manual. Do not use any attachments not recommended by the manufacturer.
- DO NOT use the product when taking a shower or bath.
- DO NOT place the product in water or other liquids. If the product falls in water, unplug it immediately and do not attempt to retrieve the wet product.

 Product Weight 2 LBS
 Rated Voltage DC 12V
 Rated Power 24W
 Service time 1.5 to 2 hours

FCC Instructions

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

NOTE: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the product and receiver.
- Connect the product into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NuvōMed®

Limited Warranty

This manufacturer's product warranty extends to the original consumer purchaser of the product. Neither the retailer nor any other company involved in the sale or promotion of this product is a co-warrantor of this manufacturer warranty. This warranty is the only warranty extended by the manufacturer.

WARRANTY DURATION: All materials and workmanship are warranted to the original consumer purchaser for a period of ninety (90) days from the original purchase date.

WARRANTY COVERAGE: This product is warranted against defective materials or workmanship. This warranty is void if the product has been damaged by accident, in shipment, unreasonable use, misuse, neglect, improper service, commercial use, repairs by unauthorized personnel or other causes not arising out of defects in materials or workmanship. This warranty doesn't cover the following which may be supplied with this product, including but not limited to, LCD Screens, glass parts, lenses, bulbs etc. This warranty is effective only if the product is purchased and operated in USA and Canada, and does not extend to any units which have been used in violation of written instructions furnished by manufacturer or to units which have been altered or modified or, to damaged products or parts thereof which have had the serial number removed, altered, defaced or rendered illegible.

WARRANTY DISCLAIMERS: This warranty is in lieu of all warranties expressed or implied and no representative or person is authorized to assume for manufacturer any other liability in connection with the sale of our products. There shall be no claims for defects or failure under any theory of tort, contract or commercial law including but not limited to, negligence, gross negligence, strict liability, breach of warranty and breach of contract. Under no circumstances will Manufacturer's / Distributor's maximum liability exceed the retail value of the product.

WARRANTY PERFORMANCE: During the above 90 day warranty period, a product with a defect will be either repaired or replaced with a reconditioned comparable model (at manufacturer's option). The repaired or replacement product will be in warranty for the balance of the 90 day warranty period and an additional one-month period. No charge will be applicable for such repair or replacement.

SERVICE AND REPAIR: If service is required for this product, you should first contact Nuvomed Inc. Customer Service at info@nuvomed.com or by calling 1 (888)-738-8888, Monday to Friday between 10:00 AM and 6:00 PM EST.

NOTE: Manufacturer cannot assume responsibility for loss or damage during incoming shipment. As a precautionary measure, carefully package the product for shipment, and insure it with the carrier. Be sure to enclose the following details with the product: your full name, return address and daytime phone number, a note describing the problem you experienced, a copy of your sales receipt or other proof of purchase to determine warranty status. C.O.D. shipments cannot be accepted.
